|      |      |                    |                               |                            |   |                     |          |                          |
|      |      |                    |                               |                            |   |                     |          |                          |
|      |      |                    |                               |                            |   |                     |          |                          |
|      |      |                    |                               |                            |   |                     |          |                          |
|      |      |                    |                               |                            |   |                     |          |                          |
|      |      |                    |                               |                            |   |                     |          |                          |

**Note:** This log should report, at minimum, each time;

- A player is removed for the remainder of the game due to an injury sustained during play.
- A player is injured during a practice whether on or off ice.
- A player is forced to leave a game or practice for unknown medical reasons.
- A player is injured during a hockey related event.

**Note:** If an injury requires medical referral and/or hospitalization, complete and submit a Hockey Canada Injury Report.
